How to get from [308 Queen Street](#) to the **Gallery of Modern Art (GOMA)**:

Public Transport (15 Mins)

- **The Main Bus Route:** Walk 3 minutes around the corner to [Adelaide Street Stop 34 near Creek St](#). Catch any of the high-frequency buses (**Routes 210, 215, 220, 230, or 235**). You will ride the bus straight into the subterranean busway and alight one stop later at [Cultural Centre Station \(Platform 2\)](#). From there, GOMA is a short 8-minute walk past the State Library. The fare will be 50 cents and you may use your credit card to make the payment when entering the bus.

Walking Routes (24 Mins)

Walking from 308 Queen Street takes about **24 minutes** (1.7 km) and offers two great bridge options:

- **Via Kurilpa Bridge (Recommended for GOMA):** Head southwest down Queen Street, turn right onto Wharf Street or Albert Street, and make your way to Tank Street. Cross the river via the iconic [Kurilpa Bridge](#) (the distinct solar-powered footbridge). The bridge spirals down directly next to the plaza entrance of [GOMA](#), making this the most direct walking route.
- **Via Victoria Bridge:** Walk straight through the Queen Street Mall, continue past the Treasury Hotel, and cross the [Victoria Bridge](#). Once across, turn right at the Cultural Centre plaza and follow the signs past the Queensland Art Gallery (QAG) straight to GOMA.

Driving, Taxi, or Rideshare (9 Mins)

- **The Route:** A taxi, rideshare, or private drive takes approximately **9 minutes** depending on light cycles. Vehicles typically cross the river via the [William Jolly Bridge](#) or [Go Between Bridge](#) to access South Brisbane.
- **Drop-off & Parking:** Have your rideshare driver drop you off at the dedicated turning circle on [Stanley Place](#), right outside the GOMA entrance.
- If you are driving yourself, undercover paid parking is available at the Cultural Centre Car Park (P3) located directly beneath GOMA, accessed via Stanley Place.
